ATTORNEY FOR APPLICANT

Enclosed are the following material(s) for filing in the U.S. Patent Application identified above, necessary for completing the filing requirements in connection with the above-identified application:

- A copy of the executed Declaration and Power of Attorney – 5 pages;
- A copy of the Notice of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US); and
- A copy of the Notification of the Recording of a Change received from the Internal Bureau of WIPO to correct notice requirements per telephone conversation with Ms. Paulette Kidwell on August 8, 2005.

Comments Regarding the Declaration

Please be advised that the executed Oath or Declaration submitted herewith contains an inventor listed as Telang Nakul submitted on February 7, 2005 as part of the first submission of items concerning a filing under 35 U.S.C. § 371.

The enclosed Notification of the Recording of a Change will act to correct the earlier incorrect spelling of the inventor's name as listed on the published application.

Applicants representative contacted Ms. Paulette Kidwell in the USPTO Office of PCT Operations about this stated error. Further to that conversation, the Notice to Correct is enclosed which indicates the correction of the inventor name as published in the international application.

Comments Regarding Additional Fees

The enclosed Notice of Missing Requirements requests a required surcharge fee of \$65.00 for providing a declaration later than 30 months from the priority date. Applicants representative contacted Ms. Paulette Kidwell in the USPTO about this stated amount. Further to that conversation, the enclosed Notification of the Recording of a Change is enclosed, which indicates the correct spelling of the inventor name and eliminates the additional fee requirement.

You are authorized to charge any deficiency or credit any overpayment associated with the filing of this application to Deposit Account 50-2752.

Respectfully submitted,

Richard S. Myers, Jr.
